UNITED STATES INTELLIGENCE BOARD

MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT : CCPC Study of the Soviet Anti-Ship Missile Threat

REFERENCE : USIB-D-70.3/2, 8 March 1972, and Memorandum  
for Holders thereof, 23 March 1972, limited distribution  
through restricted channels

On 23 March 1972 the United States Intelligence Board noted the reference CCPC Study with appendixes, and approved the recommendations contained therein. Because of the classification of the basic study, the attached appendix has been detached from the reference in order to provide for somewhat wider distribution within the Intelligence Community. Accordingly, Appendix C is circulated herewith for the information and use of those concerned.
